5th-6th grade

Welcome to the St. Sebastian Regional Catholic School, where we form disciples of Jesus and strengthen the community of faith of our Church.

After discovering the challenge in the children's book Gingerbread Man Loose at the Zoo, groups of 5th & 6th graders researched

a zoo animal for which they will create a natural habitat and build a zoo. (Currently under construction)

All STREAMed UP

4th Grade
Constructing small scale models of a prayer space they designed for themselves.

2nd Grade
How can you build a tower as tall as your classmates?

CLASSROOM HANDS-ON LEARNING

How many hundreds in a million? 4th grade discovered the answer by laying out blocks of hundreds (they do not know how to divide, yet.)

Hand Chimes

6th grade had to determine in Mr. Russell's music class how to play one of the vocal warmups and transpose it from C major to Ab Major using Hand chimes. See homepage of www.sssbv.org to hear how well they did.

Chess Club expanding our minds!

Every other Tuesday after school until 4:00 pm.

You can still sign up!

Weekly FAQ—Morning Drop-Off

If you are parking and walking your child to the door in the morning, do NOT stop in the bus/drop-off line. Park along the street or in the parking lot. If you are driving up and dropping off, please pull all the way up, drop-off (make sure someone's at the door), and move onto the street, so that the drop-off line is not backed up.
